I am a 2024 B.Tech graduate with a strong passion for web development, particularly in the MERN stack. I have hands-on experience in creating dynamic and engaging websites and possess a foundational understanding of DevOps principles. My goal is to leverage my skills to contribute to innovative web solutions and continue growing as a developer.

Education

- **Inderprastha Engineering College** — UP, India
  Bachelor of Technology - Information Technology; CGPA: 7.2 — *July 2020 - August 2024*
